PARK CONDITIONS

Whilst we don't have rules for rules sake the following will apply for the sake AND SAFETY of other Guests.

- **Noise after ten at night is definitely not welcome.**
- **Please drive slowly on the park and observe the 10mph speed limit.**
- Well behaved dogs are welcome on our park. For obvious reasons of Health and hygiene DOGS must be kept under control on a short lead at all times. It is the responsibility of dog owners to clear up any fouling and dispose at the refuse point in a sealed bag.
- Washing can be placed on racks in your awning but please no washing lines or rotary dryers in full view of other guests.
- Parents please ask your children to ride their bikes responsibly and not to play in or around the amenity block.
- **GROUNDSHEETS** To prevent our grass areas from suffering 'awning fatigue' perforated/breathable ground sheets must only be used if awning is being used for sleeping. Please roll up ground sheets and awning skirts during the day to allow the ground to breath.
- **Day guests are welcome at the additional persons tariff. Please inform Warden of visitors and extra vehicles, and make sure all visitors report to Reception on arrival.**
- The Wardens reserve the right to refuse admission to the park without giving a reason and also have the right to evict any persons behaving in an unreasonable manner.
